Reference: Associated Cleaning Specialists Carpet Cleaning

To Whom It May Concern:

As the Fire Chief of Groveland Township Fire Department I would like to personally recommend Associated Cleaning Specialists, specifically Tom McClerren and Linda Metzger, for any projects they have applied. Groveland Township hired Associated Cleaning in the fall of 2006 for cleaning carpets at the two (2) fire stations. The work they did was by far the best we've ever experienced.

Please feel free to contact me with any questions. We have never used a carpet cleaning company that was as prompt, polite and did such an impeccable job as Associated Cleaning Specialists.

Sincerely,

Steven R. McGee
Fire Chief
