Tom's Carpet Cleaning

Tom,

Just a note to tell you how happy everyone is with our clean carpet. One comment, "This carpet was cleaned before but it has never looked like this!" Everyone at the early service was amazed and happy with the results. Your extra work and care was evident to all. There were some who asked for your name and number. I was happy to give it to them .

On personal note, it was a pleasure to work with both of you. I appreciate all the additional things you did to give us our new looking carpet.

Thank you ,
